## From the President:

We're coming into an important few months for our organization, and a series of important events you won't want to miss.

On May 7, we'll hold our Annual Business Meeting at Carnival Restaurant. This is a members-only event. Decision Board Officers and Committee Chairs will report to the membership on their activities for the year, and we'll address any business items on the agenda.

On the evening of May 7, we'll also be taking final payments from members who haven't yet registered for the Thursday, June 20 Dress for Success Gala honoring Decision Women and being held at Lands End in Sayville. If you'd like more information, contact me or see our previous newsletters. (Please recall that Decision is supplementing the cost of members' attendance at this event by covering half the ticket cost.)

By now we have all received our beautiful Installation Dinner invitations. Your prompt RSVP is appreciated, as the Tuesday, June 4 event is fast-approaching. It will be a historic evening for us at Old Field Club and we encourage you to take part in the anniversary festivities, as well as to bring along the important people in your life. The Installation Dinner Committee has been hard at work. Ellen Kushner and Marion McNulty, Co-Chairs of this event, will be pleased to answer any questions you may have. Your payment is welcome at our May 7 Business Meeting.

Our strength as an organization is in our membership, as well as in our leadership. We look forward to your joining with us to finish this Decision year strong as we move into an exciting new one. Let's celebrate all we've achieved and all that's to come!

*Debbie*
